# About Us

We, Sedulous Group emerged in the market as a manufacturer and began offering our customers a qualitative range of Hydraulic Power Press, Industrial Hydraulic Cylinders, Double Acting Cylinder, High Pressure Cylinder, Single Phase Hydraulic Power Pack, Hydraulic Power Pack, Mini Hydraulic Power Pack, , Valve,, , Hydraulic Oil Filtration Machine, Gear pump, Hydraulic Power Pack, Pump Service, Hydraulic System, Hydraulic Power Pack, Hydraulic Cylinder, Oil Filtration System, Manifold Block, Valve Stand, Oil Seal, Hydraulic Pump Service, Hydraulic Service and more. Manufacturing each of these equipment using high quality material enables us to deliver a range that ensures efficient performance even when operated for longer working hours.

# Customers Prefer Us Because

- ✿ We always prioritize their demands and work hard each day and night to fulfill their requirements for Double Acting Cylinder, High Pressure Cylinder, Single Phase Hydraulic Power Pack, Hydraulic Power Pack, etc.
- ✿ We are backed by a strong research and development department that helps us innovate our equipment and upgrade our product line.
- ✿ We keep investing in our infrastructural base as per the prevailing technologies and market trends.
- ✿ We understand the value of money and time; therefore, all the equipment that we offer are of high quality and highly competitively priced.

# Our Employees

Assisted by a team of 10 employees, we are continuously improving ourselves and setting benchmarks in the market. To achieve a competitive edge in the market, our employees even go beyond their boundaries and achieve the desired results in the form of High Pressure Cylinder, Single Phase Hydraulic Power Pack, etc. Our employees understand the importance of teamwork; this is why each one of them works in coordination with one another to avoid confusion and ensure timely work completion. Since they work so hard for us, we also pay attention to their safety to eliminate workplace accidents.

# Our Products

**Hydraulic Cylinders Unit**

**Hydraulic Cylinders**

**Double Acting Cylinder**

**High Pressure Hydraulic Power Pack**

**Hydraulic System**

**Hydraulic Power Pack**

**Textile Machinery Hydraulic Power Pack System**

**Dual Function Hydraulic Power Pack**

**Hydraulic Power Pack With Cooler**

**Power Pack Set with Tie Rod Cylinder**

**Single Phase Hydraulic Power Pack**

**Cnc Machine Hydraulic Power Pack**

**SEDULOUS**  
GROUP
